## The Contract

A contract will be sent to your email within 1-2 days after selecting a date. This should be signed & deposit must be sent through venmo within 48 hours to hold your spot!

## Pre-session Survey

My pre-session survey helps me get to know your family a little better before our session! It helps me get an idea of the location we should use, the poses & props, and prompts I can plan to use, etc.

## Session day!

We meet at the pre-determined location at the time on your contract, if weather permits, and take your photos! If you need outfit changes, let me know ahead of time.

You will receive sneak-peeks within 48 hours of your session! Turn-around time for the full gallery will be discussed on your session contract.
